

Poster Guidelines

- There will be a designated area for all posters
- Each poster will be allocated a space which will be identified by a number to be communicated to the poster presenters. Please ensure that you place your poster only in the designated area.
- The poster should measure 1.2m high x 1.0m wide. Kindly adhere to these dimensions to avoid inconveniences during placement.
- The text of the poster should be sufficiently large for reading at a distance of 2 meters. As a guide, paragraph and figure caption text should be AT LEAST 24-point font and headers AT LEAST 36 point font.
- The presentation must cover the same material as the abstract submitted. Include the background of your research followed by results and conclusions.
- Organize the paper on the poster board so that it is clear, orderly, and self-explanatory.
- Don't clutter your poster with too much text. You may label different elements chronologically to make it easier for viewers to follow your display.
- Posters should be placed up between 8.00am and 9.00am on the first day of conference.
- The poster should not be removed until the close of the conference.
- Presenters should be available during poster sessions to explain to the audience and discuss their presentations.
