Facilitating the emergence of Platforms for Horticulture

**The think tank activities of GlobalHort to build up a project are not enough because of
LACK OF OWNERSHIP**

Ex. The All Africa Horticulture Congress
« **Grown under the sun** »
Nairobi, 31/08-03/09/2009

- **Africa can do by itself**
- **Define the role of GlobalHort and other catalysts**
- **Who and where are the leaders?**

 This workshop is born from the All Africa Horticulture Congress 

Objective: re-draft the CORIPHA proposal to make it an Africa-owned project

Expected outputs:

- ✓ Re-define general and specific objectives,
- ✓ Draft a detailed logframe, and
- ✓ Nominate component leaders
